About Pymont Community Centre

Pymont Community Centre (PCC) offers 2 indoor multipurpose halls, 2 weights and cardio gym areas, an outdoor courtyard with small court and hoop.

Getting to Pymont Community Centre

Public transport

There are 2 bus stops on Harris Street within 170 metres of the entrance to PCC. One on the west side of Harris Street, south of John Street, and the other on the east side of Harris Street, north of John Street. The 389 bus route travels to North Bondi or the Maritime Museum.

John Street Square light rail station is 250 metres from PCC. The station is serviced by the L1 line and travels to Dulwich Hill or Central.

There are no train stations near Pymont Community Centre.

To plan your trip, visit [Transport for NSW](#) or call 131 500.

The Village2Village community transport bus operates on Thursdays and Fridays. The route from Broadway to Woolloomooloo is via Sydney CBD and stops outside PCC.

Driving or parking

There is no on-site accessible parking at PCC.

There is no on-street mobility parking near PCC.

Taxis and private vehicles

There are no dedicated set down areas for taxis and private vehicles.

Entrance

The pathway to the main pedestrian entrance is a bitumen footpath on a shallow hill.

There is 1 flight of 5 steps down to the main pedestrian entrance. Steps are over 2000mm wide and include tactile ground surface indicators, nosings (non-slip edges), and handrails on both sides.

A ramp is located directly adjacent to the steps on the right-hand side. The ramp slopes down to the entrance and is 1190mm wide. It includes handrails on both sides and tactile ground surface indicators.

The entrance to PCC has automatic swinging doors that open outward when entering the building. The doors open to 1002mm wide and operate automatically during operating hours and by button after hours.

Customer service

The reception desk is directly opposite the main pedestrian entrance. From the entrance travel straight ahead, past the toilets and the reception desk on the right-hand side. There is no accessible counter for wheelchair users. The reception desk is out of reach from a seated position.

Toilets

There is 1 unisex accessible toilet at PCC, located on the ground floor. From the main pedestrian entrance travel straight ahead, past the women's toilet and the unisex accessible toilet is on the right-hand side. The entrance to the toilet is level, with a heavy, solid wooden door, hinged on the left-hand side. Push door to open. Door opens to 720mm wide. Toilet is right-hand side transfer.

There are no ambulant toilets at PCC.

Change and shower facilities

There are no accessible or ambulant change or shower facilities at PCC.

Lifts, stairs and passageways

There are no lifts at PCC.

The stairs to level 1 are directly opposite the main pedestrian entrance. Stairs are open and include 1 flight of 18 steps, 1200mm wide and include nosings (non-slip edges) and handrails on both sides. There are no tactile ground surface indicators around the stairs.

The stairs lead to level 1, weights and cardio gym rooms and second multipurpose room.

There is an access ramp to level 1 external to the building. For the ramp to level 1, exit the main pedestrian entrance, turn left and turn left again at side of the parking bay. There is a ramp traveling up towards PCC, turn left at the top of the ramp and in to level 1. Ramp is 840mm wide.

The hallway on level 1 leads to the weights and cardio gym rooms and second multipurpose room. Hallways are 1370mm wide.

Audio communication

There is no hearing loop available at PCC.

Kitchenette

PCC offers a kitchenette on the ground floor. The entrance is flat and the door opens to 790mm wide. The door remains open during operating hours. Kitchenette controls are not reachable from a seated position.
